Sub: - Rationalization of the fund demand being raised by ROs in respect of activities being undertaken -reg

Sir,

It has been observed that the fund requirement statement being submitted by the respective ROs do have the fund demand for the works for which either the scheme is not approved or direction is pending from HQ. the same may be avoided and fund requirement projection may be made only for sanctioned scheme works. No expenditure shall be incurred for the works which have not been sanctioned or which have not been proposed for execution by HQ.

The above may be followed in strict compliance
