

CORRIGENDUM

The following is addendum to the tender document (Part-1, sl.no.5 and page no.12) of:
INSTRUCTIONS FOR SUBMISSION OF BID.

Additional Eligibility Condition

s) Every bidder shall submit, along with the technical bid, a statement of all ongoing, pending and incomplete works as on the date of submission of the bid attached in ANNEX-VIII.

t) The bidder shall also furnish a certificate that no work awarded by IWAI or any Government Department/PSU has been abandoned or remained uncompleted due to the bidder's default.

u) **Additional Disqualification Clause:**

A bidder shall be liable to be declared technically non-responsive and its bid may be rejected if:

(i) The bidder has failed to commence any work awarded by IWAI within the stipulated period without valid justification;

(ii) Any contract awarded by IWAI has been terminated due to the bidder's default or remains uncompleted because of the bidder's failure;

(iii) The bidder has furnished false or misleading information regarding ongoing or pending works;

(iv) The bidder is assessed by IWAI, on the basis of documentary evidence, to have inadequate available resources or unsatisfactory performance in ongoing contracts, such that execution of the present work is likely to be adversely affected.

The decision of IWAI in this regard shall be based on records and shall be final and binding, subject to applicable law.
