Respected Sir,

I am delighted to share with you the “परिवार सुरक्षा पुस्तिका” (Family Protection Logbook) - a humble yet highly meaningful initiative aimed at strengthening family preparedness.

The distribution of this logbook is being launched on the auspicious occasion of the 75th birthday of our Hon'ble Prime Minister Shri Narendra Modi Ji on 17th September 2025. This effort is dedicated to his inspiring life and his unwavering commitment to public service. At the same time, this logbook represents a small yet significant contribution towards realising his visionary goal of Viksit Bharat @2047.

This logbook has been designed as a comprehensive personal record, enabling every individual and family to securely document important details - such as personal identity, financial information, property records, digital presence, and other essential data - all in one place.

In the event of any situation - whether a medical emergency or any other incident - this logbook will help family members access vital information quickly and take timely, well-informed decisions.

Given the modern situations, such preparedness not only provides practical support but also offers emotional reassurance to family members. I firmly believe that the “परिवार सुरक्षा पुस्तिका” (Family Protection Logbook) will serve as an important tool to raise awareness and inspire citizens to take proactive steps to safeguard their family's interests.

Your support in carrying forward this message of family-first preparedness will make a valuable contribution to building a society that is stronger, more aware, and self-reliant.

With regards,

Yours sincerely,

Sanjay Seth
